MEMORANDUM FOR: Deputy Director for Intelligence

THROUGH: Director of Central Intelligence
Deputy Director of Central Intelligence
Deputy Director for Operations

FROM: 25X1
Acting Director of African and Latin American Analysis

SUBJECT: Response to Questions Posed by the SSCI

Attached for your review are the answers to questions on the insurgent threats to the Sandinistas requested by the SSCI on 23 November. Our response generally answers the questions but it does not go into the degree of specificity which seems to be called for. We could have answered each and every question with greater detail, but it would have consumed resources that were already overextended. I recommend that we answer at this level and suggest that the Committee come back for further detail as required.
